

Price Is Right

Leader's Name: Rachel Abraham

Team Members:

1. **Keegan Wilson** (Responsible for creating the php forms and linking them together, quality and testing of the product)
2. **Rachel Abraham** (Responsible for setting up multiple files to be linked together, gathering products and their prices, designing the flow of the game)
3. **Zahra Najib** (Responsible for brainstorming the idea, quality and testing, creating powerpoint presentation, making the project video)

Description: We created a prototype of the famous gameshow Price Is right. You see the item, you guess the price, you have two tries, after that you start over. You can go up to three levels to win the prizes.
